

GENERAL SALES CONDITIONS

SENTEA

1. Scope

- 1.1. These general sales conditions (hereinafter referred to as "**GSC**") shall apply to all products and accessories ("**Goods**") that are sold by SENTEA NV (a company, with registered office at Technologiepark – Zwijnaarde 122, 9052 Gent and registered with the Crossroads bank for enterprises under n°0696.682.308) and/or any affiliate of SENTEA NV ("**SENTEA**") to the customer ("**Customer**").
- 1.2. Customer accepts the GSC and expressly renounces its own general terms and conditions, even if these would be posterior to the present GSC and regardless of any statement to the contrary in any purchase order, acknowledgment, confirmation, release or other form submitted by Customer.
- 1.3. Neither party shall claim any modification, limitation or release from any of the terms and conditions contained herein except by written agreement to that effect signed by SENTEA and Customer. Any lack of reaction or lack of protest from either party shall under no condition be considered as an acceptance of such deviation.
- 1.4. These GSC shall automatically apply to all similar future commercial relations between SENTEA and Customer, without it being necessary to expressly refer to these GSC.
- 1.5. The agreement between SENTEA and Customer shall exist out of the Order Confirmation, any specific conditions inserted by SENTEA and these GSC ("**the Agreement**"). In case of conflict between the provisions in the Order Confirmation and the wording of the present GSC, the provisions in the Order Confirmation shall prevail.

2. Offers, orders and agreements

- 2.1. The sale is only concluded when SENTEA has accepted an order in writing ("**Order Confirmation**").
- 2.2. If Customer cancels an order, after having received the Order Confirmation and before the delivery of the Goods, Customer will in any event be due following fixed amounts to SENTEA:
 - In case of sale of standard Goods, [40%] of the invoice amount;
 - In case of sale of made to order Goods, [100%] of the invoice amount.

The aforementioned amounts are due, without prejudice to SENTEA's right to claim additional damages should the fixed amounts not suffice to compensate the actual damage/losses suffered by SENTEA.

3. Delivery of Goods and transfer of risk

- 3.1. Except as may be otherwise specified in writing, the transfer of risk shall take place at SENTEA's plant before loading. Unless otherwise specified in the Order Confirmation, Goods are sold FCA SENTEA's plant (Incoterms 2020). Should Customer fail to take delivery of Goods, SENTEA may store them at Customer's risk and expense and following a notification of their availability, invoice them as having been delivered.
- 3.2. Customer shall be responsible to supply to SENTEA all necessary documents, confirmations, certificates and government licenses regarding the shipping and transport of the Goods. If Customer does not supply the aforementioned documentation to SENTEA in a timely manner, SENTEA cannot be held responsible for any delays in the delivery of the Goods.
- 3.3. The delivery deadlines are set by SENTEA. They are always approximate and unless expressly indicated otherwise by SENTEA, exceeding the delivery deadline, for whatever reason, cannot give cause to breach of contract, to a right of compensation or interest.
- 3.4. SENTEA also reserves the right to carry out partial deliveries.

4. Obligations of Customer

- 4.1. Upon delivery, Customer is responsible for the installation, use, storage and proper maintenance of the Goods. All necessary costs arising from one of the aforementioned obligations are solely the responsibility of Customer.
- 4.2. With regard to the installation, SENTEA provides Customer with a 'quick installation guide'. Customer is solely and fully responsible and liable for all damages arising out of such installation.
- 4.3. Customer shall be responsible for the proper use of the Goods. In no case shall SENTEA be responsible or liable for any damages arising out of any particular use of the Goods by the Customer that deviates from any common use of the Goods.
- 4.4. Customer shall be responsible for the maintenance of the Goods. In no case, shall SENTEA be liable for any damages or defects arising from inadequate maintenance of the Goods.

5. Payment

- 5.1. The prices for the sale of the Goods are mentioned in EURO in the Order Confirmation. Except as may be otherwise expressly provided in the Order Confirmation, prices are net cash (exclusive of VAT), and Customer shall pay all taxes and charges for transportation, insurance, shipping, storage, handling, demurrage and similar items. Any increase in any such charges that becomes effective after the date of Order Confirmation shall be borne by Customer.
- 5.2. Invoice payment shall be made within thirty (30) calendar days from the invoice date, unless the due date of the invoice payment is a bank holiday in the country of the receiving bank, in that case the invoice payment shall be made the last working day preceding the due date of the invoice payment. Invoices that have not been protested by means of a registered letter within eight (8) calendar days after they have been sent, will be considered to have been fully accepted.
- 5.3. In case of partial or full non-payment of an invoice at its expiration date by Customer:
 - (i) the amount due will automatically and without prior notice be increased with the statutory annual interest that is referred to in the Act of 2 August 2002 on combating late payment in commercial transactions. Moreover, SENTEA will be entitled to a fixed compensation amounting to 10% of the invoice amount as a damage provision without prejudice to any other rights of SENTEA, caused by said payment failure;
 - (ii) any other non-expired debt of Customer will become due automatically and without prior notice;
 - (iii) SENTEA is entitled to immediately suspend the execution of all pending orders and deliveries without prior notice, and make the latter dependent on advance payments or other guarantees to be made by Customer;
 - (iv) the provisions set out in Section 8 will apply.
- 5.4. Any form of set-off, between the credits and debts that exist mutually between SENTEA and Customer, by Customer is expressly excluded.
- 5.5. Nevertheless, SENTEA can at any moment, even in the event of bankruptcy, judicial reorganization or any other form of insolvency procedure with respect to Customer, execute a set-off between the credits and debts that exist mutually between SENTEA and Customer. This set-off can be executed, whatever may be the object, form or origin of the mutual credits and debts.

6. Conformity and claims

- 6.1. SENTEA warrants only that the Goods shall conform to the description given in the Order Confirmation or, in the absence thereof, to the standard specifications for the Goods. In any case, it is up to Customer to provide proof when relying on the non-conformity of the Goods. Any additional data sheets or other marketing related documents sent by SENTEA to Customer in reliance with the Goods or its specifications, are deemed to be only for informational purposes and do not entail any supplementary specifications.
- 6.2. All recommendations or statements about the Goods by SENTEA, including anticipated performance of the Goods, are based on SENTEA's experience and research, but shall not constitute in any way a warranty, and no employees, agent or representative of SENTEA is authorized to give any such warranty. Customer must determine for itself, by tests or otherwise, the suitability of the Goods for Customer's purpose. In no case does SENTEA guarantee that the Goods are in conformity with the specific or particular use Customer has attached to the Goods. In addition, SENTEA does not provide any guarantee as to compatibility with third party products (such as sensors, etc..).
- 6.3. Customer is obliged to verify the Goods at their delivery (cf. article 3.1) with regard to conformity, quantity and quality. Complaints regarding the aforementioned elements are only valid if (i) they are communicated by Customer to SENTEA immediately, (ii) they are confirmed by giving written notice thereof SENTEA at the latest within three (3) calendar days after the delivery of the Goods, (iii) such Goods remain available for SENTEA's inspection effected by SENTEA or its representative and (iv) Customer undertakes all necessary and reasonable measures to limit the damage. The use or conversion of the Goods by Customer implies its irrevocable acceptance of the Goods.
- 6.4. Complaints regarding hidden lacks in conformity are only valid if they are communicated in writing to SENTEA within three (3) calendar days after discovery of the flaw, and under the express condition that (i) such Goods remain available for the SENTEA's inspection effected by the SENTEA or its representative and (ii) Customer undertakes all necessary and reasonable measures to limit the damage. Such complaints shall no longer be admissible after the use or conversion of the Goods.
- 6.5. In any case, Customer's claims regarding non-conform or defective goods are subject to a period of limitation of one (1) year as from the delivery of the Goods.
- 6.6. The above guarantees contained in this article shall not apply to any Goods which through no fault or negligence of SENTEA, nor its employees or representatives (a) have been tampered with or otherwise altered, or have been subject to misuse, negligence or accident, or (b) have been transported, stored, handled, installed or used in a manner contrary to the Agreement, specifications or quality requirements, after such Goods leave SENTEA's manufacturing plant as provided in this Agreement. SENTEA shall not be liable for any other products, goods or materials that are attached, mixed or incorporated to the Goods by the Customer, which may cause damages.

A complaint shall further be deemed unfounded in case of (i) insignificant deviations from the agreed quality, (ii) only minor impairment of usability, (iii) natural wear and tear, (iv) damage arising after the passing of the risk, (v) faulty or negligent handling, (vi) excessive strain, (vii) unsuitable equipment, (viii) failure on behalf of Customer to give notice of the alleged defect within the terms as referred to in articles 6.3 and 6.4, (ix) failure on behalf of Customer to allow SENTEA to inspect the Goods in the state they were upon delivery, etc.

- 6.7. If the inspection shows that the Goods are defective, SENTEA is exclusively obliged, at its sole discretion, either (i) to replace or repair such Goods, or (ii) if the price has not already been paid by Customer, to reduce such price or to cancel the said contract, excluding any compensation for any other damages whatsoever.
- 6.8. Customer cannot invoke any complaint to delay or defer the payment of the price, not even partially, nor does Customer has the right to cancel the full order or delivery.

7. Liability and indemnity

- 7.1. SENTEA's liability and Customer's exclusive remedy for any cause of action arising out of the sale of Goods is expressly limited to either the repair, replacement or reimbursement in part or in full (as set out in Section 6).
- 7.2. To the largest extent permitted by relevant laws, SENTEA shall have no liability for loss of profits, loss of business, loss of productivity or other special, incidental or consequential damages.
- 7.3. SENTEA can only be held liable for direct damages caused by its or its employees gross negligence, willful misconduct or fraud duly proven by Customer.
- 7.4. If SENTEA is liable to pay damages, these damages shall not exceed the amount of the related invoice.

8. Retention of title

- 8.1. All deliveries are done under retention of ownership. The Goods will only become the property of Customer after payment in full of the price, costs, interests, possible compensations, etc. As long as Customer has not paid in full it is prohibited to use the Goods by mean of payment, to pledge or encumber these Goods with any type of security.
- 8.2. These arrangements regarding the retention of title shall not affect the passage of risk as provided under Section 3.
- 8.3. During the retention of title period, Customer shall be responsible for storing and keeping the Goods in good condition, any loss and damage, including events of Force Majeure being at its risk. As from delivery, Customer is obliged to insure the Goods for their full replacement value against all risks at its expense and to provide SENTEA with a copy of the insurance policy. Customer will affix a sign/will not tamper with the sign on the Goods indicating they are the property of SENTEA. Customer will immediately inform SENTEA of any seizure or any other act of intervention by a third party.
- 8.4. In case of resale of the Goods, the retention of title is transferred to the proceeds of the sale.
- 8.5. The (partial) non-payment of any invoice at its expiration date entitles SENTEA to take back the Goods, at risk and cost of Customer. Customer shall allow SENTEA access to its premises to that purpose.
- 8.6. Each payment by Customer shall in first instance be used as payment for unpaid invoices relating to the Goods which have been used, converted or resold by Customer.
